HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president. The Society was incorporated in 1808.

Origin of Massachusetts Home Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. In 1966 the name was changed again to the Massachusetts Conference of the United Church of Christ. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and inter-denominational projects and programs.

BYLAWS OF THE MASSACHUSETTS CONFERENCE OF THE UNITED CHURCH OF CHRIST

ARTICLE I

Purpose and Terminology

1. The purpose of the Massachusetts Conference of the United Church of Christ as stated in its charter (1799) is "diffusing the knowledge of the Gospel of Jesus Christ . . . and in concert with other ecclesiastical bodies for the general increase of Christian union and spiritual efficiency and the advancement of Christ's Kingdom on earth."

2. Whenever in these Bylaws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All Churches which are members of Associations in voluntary fellowship with and recognized by the Conference, whether or not such Churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these Bylaws.

4. Whenever in these Bylaws the word "Area" is used, it shall be held to refer to those Associations or combinations of the Associations decided upon by the agreement of the respective Associations and recognized by the Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over Churches or individuals or interfere with the government or discipline of the Churches. It shall advise and counsel the Churches when requested, but it is recognized that each Church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Conference Meetings

1. *Stated Meetings.* In each year the Conference shall convene its Annual Meeting within the Commonwealth of Massachusetts, on the third Friday of May (or at such other time within the period from April fifteenth through June fifteenth as the Board of Directors may deem expedient) for the election of Officers, Executive Officers, Committees, Councils, and a Board of Directors for full or unexpired terms, as the case may be, the hearing of reports, the determination of the annual rate of Fellowship Dues to be proposed to the Churches, to act on the recommendation of the Board of Directors concerning the amount or proportion to be retained from Our Christian World Mission giving of the Churches, and the transaction of other business. Each year the Conference also shall convene a Fall Meeting within said Commonwealth on the third Saturday of October (or at such other time within the period from September fifteenth through November fifteenth as the Board of Directors may determine); provided, however, that the Conference at any Annual Meeting may vote not to hold the Fall Meeting that year. The budget of the Conference ordinarily shall be presented for adoption at the Fall Meeting, but in any year when the Board of Directors recommends not to hold the Fall Meeting, and it is so voted, then the budget shall be presented for adoption at the Annual Meeting.

2. *Special Meetings.*

   a. Special meetings of the Conference may be convened by the Board of Directors, at such times and places within the Commonwealth as may be determined by the Board, provided, however, that notice of any special meeting and the purposes thereof shall, at least three weeks before the date of the meeting, be sent by mail to each of the Churches entitled to send delegates to the meeting, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.

   b. A special meeting of the Conference shall be convened by the Board of Directors upon receipt by the office of the Secretary of the Conference or Chairman of the Board of Directors of a written petition stating the proposed purposes, and signed by not less than one hundred persons who shall be voting members of the Conference as defined and who shall represent at least fifty Churches, within sixty days of the receipt of such petition unless an already scheduled meeting of the Conference will be held within ninety days.

   c. No action shall be taken on any item of business not specified in the notice of the meeting.

3. *Call To Order.* The Moderator, or in his absence the Vice Moderator, shall call the meeting to order and preside. In the absence of both of them, a member of the Board of Directors shall call the meeting to order and conduct the election of a Moderator Pro-tempore.

4. *Budget.* Not later than one month prior to the meeting of the Conference at which the budget will be presented for approval, there shall be mailed to each Church entitled to send delegates to the meeting sufficient copies of the budget and of the Treasurer's report to provide one copy for each minister and for each delegate to which the Church is entitled. No increases or additions to the budget can be considered on the floor of the Conference Meeting unless a written proposal is filed with the office of the Secretary at least ten days prior to the meeting.

5. *Quorum.* At all meetings of the Conference a quorum shall consist of 200 voting members.

ARTICLE V

Conference Meeting Membership

1. *Voting Members.* The voting membership of a Conference Meeting shall consist of

a. the following representatives from each Church or Congregation which is a member of an Association in fellowship with the Conference:

(1) two delegates chosen by and from each such Church or Congregation to serve at its pleasure; and one additional delegate chosen by and from each such Church or Congregation to serve at its pleasure for every three hundred members, or major fraction thereof in excess of three hundred, as determined by the number of its members as of December 31 of the year immediately preceding; (Churches are urged, in conformity with the spirit of actions taken by the General Synod, to choose delegates from all areas of interest. This contemplates a lay delegate body with equal representation of men and women, representation of minority groups, and with a goal of 20% of all lay delegates under 30 years of age.)

(2) the pastor or pastors, including lay pastors, of each such Church or Congregation, provided such pastor shall have standing in an Association in fellowship with the Conference; and

(3) the Christian Education Director or Directors of each such Church or Congregation, provided such director holds United Church of Christ certification.

April 30, May 1, 2, 1976, Springfield, Massachusetts

The 177th Annual Meeting of the Massachusetts Conference of the United Church of Christ was called to order by the Moderator, Mr. Richard Harter, at 2:00 P.M., on Friday, April 30, 1976, at Old First Church, Springfield, Massachusetts. Singing was led by the Rev. Albert C. Ronander prior to the call to order. The theme for the Meeting was taken from I Peter 2:9 & 10: "...you are a chosen race, a royal priesthood, a holy nation, God's own people, that you may declare the wonderful deeds of him who called you out of darkness in his marvelous light. Once you were no people but now you are God's people; once you had not received mercy but now you have received mercy." The Worship/Celebration services for the Meeting were prepared and conducted by members of the Worship Commission.

> "62 There shall be Instrumentalities established by the General Synod with purposes and organization as described in the Bylaws of the United Church of Christ, to discharge responsibilities in the following areas of need or concern:
>
> a. social education and action, with the name OFFICE FOR CHURCH IN SOCIETY;

Dr. Erna Ballantine Bryant, Assistant Moderator of the United Church of Christ, introduced Mrs. Phyllis Baldwin and Miss Gwendolyn Jacobs representing the Board for Homeland Ministries and Mr. Douglas Lowe and the Rev. Paul Clayton representing the Board for World Ministries, each of whom spoke about the respective boards. Dr. Bryant then asked the various Massachusetts members of the corporate boards and representatives on national committees to stand.

Mrs. Mary Ann Donaldson moderated a presentation on some specific aspects of world concerns, which included: (1) Rhodesia, the Rev. Daniel Leavitt; (2) Asian Leadership Seminar, the Rev. Avery Post; (3) welcomes to Mr. Dalton Smith, Assistant to the Executive Vice President of the Board for World Ministries, Rev. Leonard Clough, Assistant Treasurer for Development, B.W.M., Rev. Edmund Nutting, Cooperative Planned Giving, Rev. Kenneth Anthony, former General Secretary for Service, B.W.M., and Rev. Fred Field Goodsell, former Executive Vice President of the American Board of Commissioners for Foreign Missions; (4) Task Force on Southern Africa, Ms. Dorothy McComb and Mr. Frank White; and (5) Hunger Task Force, Rev. Richard Dodds.

Mr. Post and the Rev. Robert Witham had designed a period of sharing with the General Synod delegates, including in-put for the 11th General Synod. Due to the press of time, this was shortened, but the Synod delegates were introduced and Mr. Charles Coombs, Mrs. Nancy Rogers and Ms. Winifred Eastwood spoke briefly.

The Moderator outlined the business for the evening session and the Meeting was recessed for dinner.

The Meeting was reconvened at 7:30 P.M. Mrs. Helen Barnes, Chairperson of the Board of Directors, gave her report which was an over-view of the Conference, accompanied by appropriate slides assembled by Mrs. Barnes and the Rev. A. Karl Phillippi. Mrs. Rasche, Chairperson of the Personnel Committee, announced that the Rev. George Condon will be the Director of Stewardship and Financial Development, in cooperation with the Stewardship Council. The Rev. Walter Telfer, Vice Chairperson of the Board of Directors, indicated the need for in-put for Staff design. Also, a random survey of the delegates will be conducted to gather in-put on communications needs. The Rev. Justin Hartman, Vice Moderator of the Conference, announced the open house and dedication of the new office complex at Framingham on June 6, 1976, as well as the auction to be held at the Center on June 12.

A presentation of $1950 for Framingham debt reduction was made by the Rev. Donald Simpson, Central Area Minister, from the Central Association, the Acton Congregational Church and Marlboro Congregational Church.

On recommendation of the Board of Directors, it was moved and

VOTED: To amend the Bylaws, Article XV, SPECIAL ORDERS, Paragraph 3, concerning "Revolving Fund for Cash Flow" by striking paragraph 3, g.

> "Investment of the Fund is limited only by the requirement that it be as readily available as cash. Any earnings from the investment are unrestricted and are to accrue to the general fund."

and cause it to read:

> "The Fund shall be invested in a manner appropriate for its purposes, as determined by the Board of Directors. Income earned shall be administered as unrestricted receipts from investment income."

The Rev. Richard Stoehr, Chairperson of the Finance Committee of the Board of Directors, presented several motions regarding the Framingham development/renovation debt. It was moved and

VOTED: That authority is given to finance the Framingham development/renovation debt through the General Investment Fund (unrestricted assets) with a minimum annual repayment schedule to the General Investment Fund for up to 20 years. (It is assumed that we would be borrowing cash, not shares.)

It was moved and

VOTED: That repayments to the General Investment Fund for the amortization of the Framingham development/renovation debt be designated to the revolving fund for cash flow. (See Bylaw, Article XV, Section 3.)

A motion asking the Annual Meeting for authority to conduct a campaign for reduction of the Framingham debt was amended to state the disposition of funds received from this. It was then

VOTED: That authority is given to conduct a campaign for reduction of the Framingham development/renovation debt with payments completed by December 31, 1977, and that funds be applied to reduce the number of years of payment rather than reduce the annual payment, beginning with the 20th year, to the 19th, to the 18th, etc. (See below for later action.)

The remainder of the evening was spent on presentation and discussion of 1977 budget considerations. Following a concluding Worship/Celebration, the Meeting was recessed.

Saturday, May 1, 1976

The Moderator reconvened the Meeting at 9:00 A.M., followed by Worship/Celebration. The Business Committee recommended several adjustments to agenda times. It was moved and

VOTED: That the agenda be amended as outlined.

Mr. Post called 3 Staff members to the platform and then introduced the Rev. George Condon, Consultant in Stewardship and Financial Development. Mr. Ralph F. Tuller was thanked for his years as Treasurer of the Conference and for other positions of leadership which he has held. There was a standing ovation as a tribute to his service. The Rev. Emil C. Beck, Vice President for Administration, and Secretary, was the Staff person responsible for over-seeing the renovations at Framingham. Mr. Post expressed his appreciation for the many hours Mr. Beck has served in this capacity. (Mr. Post's Address follows these minutes.)

Delegates were asked to take the time to fill out the Synod in-put questionnaires.

Mr. Stoehr spoke about the implications on the budget of the vote taken Friday re campaign for reduction of the Framingham development/renovation debt. (See above.)

It was moved and

VOTED: To reconsider the motion which had been voted giving authority to conduct a campaign for reduction of the Framingham development/renovation debt. (See above, last vote on Friday.)

Since the motion being reconsidered had been amended, the amendment was before the Meeting first. The amendment "that funds be applied to reduce the number of years of payment rather than reduce the annual payment, beginning with the 20th year, to the 19th, to the 18th, etc." was defeated. It was then

VOTED: That authority is given to conduct a campaign for reduction of the Framingham development/renovation debt with payments completed by December 31, 1977.

A motion to adopt the budget for 1977 as presented by the Board was made and seconded. It was then moved and

VOTED: To postpone action on the budget until after the Fellowship Dues, O.C.W.M. Basic Support Retention and the goal for total O.C.W.M. Basic Support are adopted.

A motion that Fellowship Dues remain at $2.15 was made and seconded.

A motion to postpone action on this motion until after setting the retention rate was lost. An amendment "that the 15¢ additional Fellowship Dues for Framingham pertain only for 1977, and be reconsidered at the next Annual Meeting" was defeated. It was duly

VOTED: That Fellowship Dues for 1977 be set at $2.15 per church member as reported for January 1, 1977.

A motion that O.C.W.M. Basic Support Retention be at the rate of 22% was made and seconded. An amendment to increase the retention to 25% was defeated. It was then

VOTED: That the O.C.W.M. Basic Support Retention for 1977 be set at 22%.

The Meeting recessed for "Shop Time for Local Church Resourcing" and for lunch.

The Moderator reconvened the meeting at 2:30 P.M. The Business Committee recommended several time adjustments for the agenda. It was moved and

Amos Wilder, who is celebrating the 50th anniversary of his ordination, was recognized. Others celebrating the 50th Anniversary are: Rev. Winfield Q. Swart, Rev. James Burckes, and Rev. Edward A. Jones. The Rev. Harry Meyer has been ordained 60 years.

Mrs. Nancy McKinney, Chairperson of the Church and Community Committee, outlined actions of the Conference at previous meetings with reference to health care. Mr. Post then introduced the Honorable Edward M. Kennedy, United States Senator from Massachusetts, who addressed the Meeting on the subject of health care, after which he received a standing ovation. Following his address, Senator Kennedy answered questions from the floor. After Senator Kennedy's departure, Mr. Daniel W. Moore, Surgeon in Chief, Peter Bent Brigham Hospital and Moseley Professor of Surgery, Harvard Medical School, responded to the Senator's address.

It was moved and

The motion to adopt the budget was taken from the table. It was moved and

VOTED: TO AMEND the proposed 1977 budget of the Massachusetts Conference, U.C.C. to designate the sum of $15,000 for the Massachusetts Commission U.M.H.E. (in place of the $10,000 item for Campus Ministries).

It was then

VOTED: To adopt the receipts and expenses budget for 1977 as presented by the Board and amended by the Meeting. The budget as adopted follows these minutes.

A motion to authorize the taking of a special offering to help alleviate the 1976 budget deficit of U.M.H.E. was made and seconded. An amendment that "This offering will be applied against the 1977 budget deficit of the Massachusetts Conference, U.C.C., with all amounts above $5,000 being applied against the budget deficit of the Massachusetts Commission U.M.H.E." was defeated. It was then

VOTED: That the Massachusetts Conference, U.C.C. authorizes the taking of a special offering from the churches on a given Sunday in the fall of 1976 for the support of the Massachusetts Commission, U.M.H.E. A one dollar per member goal is suggested. This offering is needed to help alleviate the 1976 budget deficit of the Commission for the current fiscal year.

The Meeting recessed for dinner. A reception which had been scheduled for delegates to meet the Board of Directors, the Officers and Executive Staff was not held since the business session had been extended.

The Meeting was reconvened at 7:30 P.M. A program was presented concluding the 17/76 Achievement Fund campaign. Representatives of the Second Church in Beverly presented a check for $3000 for 17/76. They explained Area Mission Strategy, a program being conducted jointly by the Board for Homeland Ministries, the Massachusetts Conference and local Churches.

Sunday, May 2, 1976

There was a brief sharing of concern about the Wilmington 10 conducted by the Rev. Nevin Kirk and the Rev. George Thomas, with prayer by Mr. Bascom.

(A complete list of Officers, Executive Officers, Boards, Committees, Councils, representatives to agencies, and delegates to the General Synod is printed in another section of the Conference Yearbook.)

Dr. Erna Bryant addressed the Meeting as a member of the Wilmington 10 Defense Committee appointed by the Executive Council of the U.C.C. and outlined courses of action for those who are interested in supporting the 10.

It was moved and

Ingram preaching. Assisting in the service were Rev. Eric W. Bascom, Jr., Rev. James L. Lancaster, Rev. Delwin R. Lehmann and Miss Kathleen Hunt. It was moved and

A Resolution on United States Corporate Investment in South Africa was submitted by the Task Force on Southern Africa, moved and seconded. The substance of the Resolution urged "Individuals, churches, conferences and instrumentalities to exert moral pressure on United States corporations and businesses to withdraw from the Republic of South Africa and to take all actions necessary to achieve this goal. In the event that withdrawal is not accomplished, we as individuals and as a corporate church should divest ourselves of holdings in those corporations." An amendment was moved

and seconded to delete the original motion and substitute a statement from the 10th General Synod. The amendment also included some directives for the Task Force. An amendment to the amendment, asking for a review of the over-all program by the Board of Directors and for the development of a realistic and effective program to be presented to the next Annual Meeting, was defeated. An amendment to the amendment, asking for the development of a mechanism by which the Conference may exercise responsible decisions over investments, was passed. During the discussion, the Business Committee recommended that debate be limited to 1 minute per speaker. The amendment, as amended, was supported and became the main motion. It was then

VOTED: That the Massachusetts Conference of the U.C.C. adopts as its own the following statements from the 10th General Synod Pronouncement on Transnational Business:

that international corporations have "a moral responsibility, in all matters of production, employment and distribution, to seek to persuade a host country guilty of repressive practices to respect the principles of the Universal Declaration of Human Rights accepted by member governments of the United Nations as 'a common standard of achievement for all peoples and all nations.' The church commends and supports firms which try to improve the lot of those in any society who are subjected to systematic injustice and repression. If any company chooses to continue to operate in a country where there is little justice and less freedom, it is only by effective efforts of this kind that its presence there can possibly be justified."

WHEREAS South Africa with its policy of apartheid is such a country of "little justice and less freedom"

BE IT RESOLVED that the Massachusetts Conference of the United Church of Christ at its 177th Annual Meeting on May 2, 1976, directs its Task Force on Southern Africa to work in cooperation with the national United Church of Christ instrumentality efforts to:

1. Inform Church members and others what corporations are doing to further and to frustrate racial justice in Southern Africa.

2. Intensify efforts to bring the moral and financial leverage of the church to bear on corporations to work in Southern Africa for effective reform of present injustice.

3. Develop a mechanism by which the Massachusetts Conference, U.C.C. may exercise responsible decisions over her investments.

The Resolution on the Boston School Crisis was taken from the table. It was

VOTED: WHEREAS Boston has become a city gripped with fear and terror, in part, because of the escalating violence in relation to the court ordered desegregation of the public schools;

WHEREAS many of the public officials have been remiss in exerting moral leadership;

WHEREAS many of the officials elected to serve all the citizens of Boston have shown disregard for some of the laws of the land by encouraging and supporting

groups organized to circumvent the court order;

WHEREAS the situation surrounding the Boston educational system not only does irreparable harm to the children of Boston, but places in jeopardy the public educational system throughout the Commonwealth;

WHEREAS many of the suburban communities surrounding Boston have shown deepening signs of isolation and independence and thereby, wittingly and unwittingly, support the forces resisting the law;

BE IT RESOLVED that we, the delegates to the Annual Meeting of the Massachusetts Conference, United Church of Christ, gathered on Sunday, May 2, 1976, affirming Jesus Christ as Saviour, the power of life over death, the power of hope over despair, call upon all Christians to act expediently and creatively to help move the city toward immediate resolution of the crisis confronting us.

We call upon all citizens to use the proper and lawful means of redress, if their desire is to change a particular law.

We urge all elected officials to declare a moratorium on statements that encourage contempt for the law and incite violence on the part of their followers.

We call upon those chosen to enforce the law to do so without regard to racial, ethnic, political and religious differences.

We call upon the Boston School Committee to act responsibly in carrying out its duties to educate all the children in Boston, and to work cooperatively and creatively in the implementation of the court ordered desegregation.

We call upon the suburban communities to continue to develop voluntary, cooperative efforts to support quality integrated education for all the children in the metropolitan area; and to support and strengthen those efforts already operative.

We call the members of the churches in the Massachusetts Conference, United Church of Christ, to develop opportunities within their congregations that will lead to the immediate resolution of the crises confronting us.

On recommendation of the Hunger Task Force, it was moved and

VOTED: Recognizing that the world is confronted by a massive hunger crisis of domestic and global dimensions; and recognizing that a long-range commitment to action is necessary; and recognizing that as Christians, God unites us in a common humanity and frees us to work not only for charity but for justice; we, the members of this Annual Meeting of the Massachusetts Conference of the United Church of Christ, make the following covenant and will invite those in our local churches to participate.

I will commit myself to work in one or more of the following areas:

1. Consciousness Raising:
   a. I will read at least one book on hunger.
   b. I will try to get a "community of concerned" started in my church to educate ourselves and others on World Hunger.

2. Life Style Modification:
   a. I will be conscious of my eating habits and encourage my local church to re-think its menus for its church meals.
   b. I will watch the waste of all resources in my life style and encourage my local church to do the same.

3. Citizen Action:
   a. I will write to my national and state officials to let them know my continuing interest in hunger-related legislation. (Ex. "Right to Food Resolution")
   b. I will try to get my local church to form a legislative study/action group using the resources of an organization like Bread For the World.

4. Fund Raising:
   a. I will increase my own giving to O.C.W.M. and World Hunger Action Fund and to voluntary agencies.
   b. I will encourage my local church to organize and/or participate in community-wide fund-raising event(s) for world hunger.

5. Resource Allocation:
   a. I will evaluate my own/my family's budget---time, money and skills---with the goal of committing a larger share of my/our resources to hunger-related causes.
   b. I will urge my local church to evaluate its allocation of its time, money, skills with the goal of committing a larger share of its resources to hunger-related causes.

6. Theological and Ethical Studies:
   My commitment to relief of world hunger will be sustained through prayer, Bible study, and theological reading, entered into individually and corporately.

(Based on the six action proposals of the 10th General Synod, June 30, 1975, Minneapolis, Minnesota---"The United Church Confronts the World Food Crisis.")

A Resolution from the Church and Ministry Committee on Clergy Salaries was moved and seconded. An amendment to delete references: to a 15% increase in salary for professional workers in Massachusetts; to the fact that salaries of ordained ministers have not generally received increases as large as those received by many other professional people; and asking for churches to provide increases to match increases of other professionals as closely as possible, was passed. Therefore, it was

VOTED: WHEREAS the Church and Ministry Committee of the Massachusetts Conference has provided the churches with guidelines for pastoral compensation for many years, and

WHEREAS inflation in Massachusetts has increased the cost of living at the rate of 18% during the past two years:

BE IT THEREFORE RESOLVED that the 177th Annual Meeting of the Massachusetts Conference of the United Church of Christ requests the churches of the Conference to immediately review the salaries of their ministers, and where possible, if deemed necessary, to make mid-year adjustments so that the salaries of ministers may be increased.

Health Care resolutions were submitted by the Church and Community Committee and by the corporate members from Massachusetts of the Board for Homeland Ministries. It was agreed to treat these two resolutions in one motion. Accordingly, it was moved and

VOTED: WHEREAS we as delegates to the 177th Annual Meeting of the Massachusetts Conference of the United Church of Christ have reaffirmed our sense of mission as "God's own people"; and

WHEREAS the issues with which we are dealing at this meeting--e.g. Hunger, Health Care, Justice...are on-going issues affecting all of the people of the world; and

WHEREAS all of the issues affecting the humanity and dignity of men, women, and children are inter-related in such a way that no single action can fulfill our responsibility for protecting the rights of persons; and

WHEREAS the historic commitment of the United Church of Christ to provide health and welfare services through various church related institutions and programs leads us naturally to the responsibility to address ourselves to those national policies which affect the health care of all people;

BE IT THEREFORE RESOLVED THAT the 177th Annual Meeting of the Massachusetts Conference of the United Church of Christ calls upon all of its delegates to covenant together to go back to the churches and communities which we represent and to raise up before all of our members the need for new approaches to the provision of adequate health care for all Americans so that our churches will provide a forum for a thorough discussion* of the several proposals for national health care and will urge and enable the members of our churches to organize themselves to take creative and effective action to bring about a thorough, comprehensive and effective program of health care services for all people.

(*The Church and Community Committee of the Conference will serve as a resource in this effort, providing materials, resource leaders, and the names of speaker for this discussion.)

We, the Massachusetts Conference, meeting in Springfield, Massachusetts on May 2, 1976, recognize the importance of a United Church of Christ presence in the continuing national debate about Health Care. We express our support for all possible personnel and financing for such a presence.

A Resolution on the Progress of Religion in the Massachusetts Conference of the United Church of Christ and submitted by delegates from the Congregational Church of Topsfield was moved and seconded. An amendment to strike the phrase calling for an appointment of a committee was passed. Another amendment seeking to add a paragraph about unplaced ordained ministers was defeated. The motion as amended was subsequently defeated.

The Board of Deacons of the First Church, Congregational, Boxford, submitted a motion through its delegate, Mr. Clement E. Sutton, Jr. It was moved and seconded: "That any resolution or pronouncement to be acted upon at a stated meeting of the Massachusetts Conference of the United Church of Christ must be mailed to the delegates at least two weeks prior to said stated meeting. To provide for an emergency resolution (one which is needed, and could not be foreseen two weeks prior to the meeting), the proposal must be submitted in writing to the Business Committee of the Conference, and if they approve said resolution as an Emergency Resolution, it may come to the floor upon a two-thirds affirmative vote of the delegates." (This was amended so that an emergency resolution could come to the floor with a majority vote rather than two-thirds.) It was moved and

VOTED: To table the motion re resolutions. (See foregoing paragraph.)

Dr. Erna Bryant, Executive Director of the Black Ecumenical Commission, spoke briefly about the B.E.C. and its programs. Three-quarters of the grant from the Massachusetts Conference is still in hand.

ANNUAL MEETING ADDRESS

Springfield - April 30, May 1 and 2

AVERY D. POST, Minister and President

We have a comfortable sixty minutes to be together. I plan to talk for thirty minutes about some simple and basic matters and then for twenty-five minutes be in an open conference and conversation with you. At the end, for five minutes, I would like to deal with two or three pastoral matters. During the open conference period I hope you will feel free to raise questions and to make comments.

In my train of thought before writing these words, I thought of saying to you, "If I were a pastor or a lay person in a congregation in the Massachusetts Conference ..." I had, of course, forgotten momentarily that I am a lay person in Massachusetts congregation - Old South Church in Boston. But my purpose in such a beginning was simply to say that if I were where you are as pastors and lay members of United Church of Christ congregations in Massachusetts, I think that I might have some very simple and clearcut expectations about the year-in/year-out life of the Conference.

First I would want the Conference to be easy to get at and to have available helpful and tested resources that are easy to lay hold of. I would like to feel that the Conference knows what the basic needs of the moment are, and I would like to feel that some valuable and very helpful responses to those needs were being carefully and intelligently shaped.

I wouldn't want the Conference to hover like an indulgent parent, nor would I want the Conference or any other agency of the church to press me to buy something made out of town for my benefit. As simple as it is to say it, I would just like Conference resources to be there within reach, and I wouldn't mind at all if Conference leaders or staff members were so in touch with my world, that they even anticipated my needs and met me right on the road as it were - or in the wilderness.

Don't misunderstand me. I wouldn't want to relate to the Conference only as a consumer. I don't like to be indulged. Indeed I would like someone to identify me and what I can do as a resource. I guess I am just saying that I would want the Conference, by what it is and the way it moves to enlist me in the service of the church and to be very clear about the fact that one of the priorities is the need for honest-to-goodness help in making a church go today.

I have served six churches as pastor - in the countryside, in a town, and in metropolitan suburbs. In some of those places there were tremendous resources in the membership. But in no situation did I ever live beyond the need for people to check something out with, to help me get perspective, to put me in touch with resources, to show me how to get around the bureaucracy, and mostly just to listen.

Clearly I am talking with you about what a Conference should be, what the Massachusetts Conference should be to lay ministers and ordained ministers. It should be there. It should move help to points of need - often anticipating need. It should facilitate the deployment of resources.

Secondly I would want the Conference to be in touch with and working on the most urgent fronts of human need in Massachusetts, to be helping to organize ways to meet those needs, and recruiting my participation in those mission ventures.

Now that may sound like Massachusetts mission localism, but actually it is not driven by any of my provincial inclinations. For I wouldn't respect this or any other Conference very much if it didn't make heavy commitment to homeland and worldwide missions, to denomination-wide support of communications, support of professional ministries, lay training, social witness, and the implementation of decisions made with care and good faith at meetings of the General Synod. In fact I would want a Conference to press just as hard or harder than the Massachusetts Conference is now pressing for the basic support of Our Christian World Mission.

And I would want everybody to level with me completely about how that money is spent. I wouldn't want to be faked out or fake myself out with the notion that this money is all spent to provide the milk in the cup in the hand of one of the little children that I saw in a village in India. It is there in that milk, of course - a lot of it. But the money is in the total program of delivery - the people, the planning, the training, the lobbying, the administration if you will! And just because it is all of that I would want good reporting and good accounting, the best possible personnel, rugged evaluation, and all the rest. Our Christian World Mission nurtures a whole church - all of its missions and ministries, all of its life and people, all of its institutional realities. It is in fact a church-wide covenant commitment.

As a pastor, I tried to help congregations to give covenantly, and that wasn't an altogether easy thing to do. And once in awhile something would go on in the Conference of the church generally that I simply disagreed with or didn't respect. It would test the trust level with me personally and with informed members of my congregation. When I just groused about the matter, it only deepened my disabled moods. When I fed back - hard at times - it felt good. When I pitched in in some way, I was really being convenantal.

Basically, as a pastor or lay person, I wouldn't want to be a part only of a support system, but even more perhaps of an outgoing mission enterprise. Not everyone agrees with where the mission fronts are. Some would want to be rigorously selective about them to operate well within the capacities of the diverse memberships of congregations, to nurture mission concern without losing the social harmonies of congregational life. I can imagine, for example, that some church persons cannot see how the health care issue is a mission question, why issues in Southern Africa should be taking time on the agenda of a Massachusetts church meeting, why the Boston school desegregation crisis should receive such attention in an Annual Meeting that some of the natural flow of mission dollars to other less controversial areas of human need might be endangered.

But regardless of differences between many of us as to what constitutes mission outreach, I would want to feel that the Conference has focused time, money, energy, and prayer on a number of urgent mission sites in this Commonwealth. The Conference might be there as a catalyst; it might be there to organize the concern of certain social victims so that solutions can be commended to wider segments of the public or private sectors; it might be there with ecumenical partners to address needs that the church and the churches should regard as a continuing, long-term mission commitment.

I am very deeply concerned that we have lost over the last few years the fiscal flexibility to be a mission initiator and a good mission partner in this Commonwealth. From being a source of generous mission support, and perhaps at times, an easy touch, we have come to budgets in which we have lost almost all of our margins for mission flexibility.

I think back to the month of June, 1974. You will recall that we had just made a decision at the Hyannis Annual Meeting to proceed with a large Conference Center development in Framingham. The officers were asked to proceed if finances could be responsibly arranged. Emil Beck, Ralph Tuller and I struggled over that. In the end, on the 24th day of May, I sent the following mailogram to the members of the Board:

> "Have...voted not to proceed with the...Framingham Plan, all major factors have been considered in depth, weighing very heavily is the urgent need for increased Conference receipts to meet continuing deficits and to sustain Conference ministers and mission flexibility."

The pivot for me then was mission flexibility. And it still is. If I were a pastor or lay minister in any Conference of the United Church, I would want more than any single thing to be part of a missionary Conference, a state-wide or region-wide community of people from the congregations organized to address urgent human

needs with real leadership, with more than scraps of time and money, with the power of prayer, and with the fantastic resources and skills and strengths that can be assembled from the memberships of congregations in the United Church of Christ.

I need to say a few sharply pointed things to all of you about our capacity and performance in mission commitment.

The time has come - indeed we are already tardy - to make major increases in the Basic Support of OCWM church and by church. I lay this on the heart of pastors and you the delegates and leaders from the congregations. Basic Support is our family support plan. It is a family gift. It nurtures the whole church, its ministers and its missions. There is a goal for your church - you should see that at least it is accepted. Ponder the size of the Basic Support commitment from your church. It may need to be doubled. It may need to be increased by 25 or 50 percent. If you don't know what Basic Support money supports in the Conference and in the U.C.C.,don't act helpless. It is your responsibility to find out. This is a family. This is a covenant. This is the church style for which we have opted and which we offer to Jesus Christ, the Lord of the church. Our church style - our forms of autonomy - can be and are used by us to protect ourselves from the imperatives of the Gospel and the mission, to be self-serving.

Delegates, if you and I adopt a Conference Basic Support goal today we simply have to meet it. If you are feeling weighted by the size of it, let me say two things:

(1) It is so well within the capacity of five hundred congregations that we should not give the matter another thought - but simply set out to do it.

(2) In the whole United Church of Christ the Massachusetts per member contribution to Basic Support is 6.50 - third from the bottom in the 39 Conferences. And it should make us even more uncomfortable and sober that in general the United Church per member gift to mission outreach is far below most other denominational families.

I don't want you to feel chastised and weakened by what I say, but challenged and strengthened. But, honestly now, can't we face straight on as a family that we are indeed in the very position of some of the congregations that have had large endowment funds which have wounded the capacity of people to be responsive and spontaneous in mission commitment. At one point in our recent history we made a mission gift of great size from unrestricted endowments and some have guessed that we acted more like New Englanders who felt wounded more by having given away principal than anything else!

There have been some real wounds in this period to our mission performance, our mission flexibility, and our mission integrity. We have made harsh impacts on such mission partners as the United Ministries In Higher Education and the Massachusetts Council of Churches.

Yesterday afternoon we experienced high point after high point of mission intention, and then in the evening we were trapped again in the size of our institutional commitments that make mission less and less possible.

The answer to our dilemma is a creative and responsible reshaping of our institution, and an increase in giving in the range of 25-50%!

Third, I would want a Conference to speak with a clear voice and a particular ring that God was in Jesus Christ reconciling the world to Himself. I say " a particular ring" because a Conference of delegates from the congregations is a different kind of servant and witnessing structure than a congregation. To be sure a Conference's governance focuses in a Church Meeting as does a congregations's. But this particular structure is brought together for special functions: to expand

and instrument the covenantal life that has hundreds of nuclei in the congregations and to be a wide-ranging and responsive mission structure in the midst of a broad segment of society.

So a Conference structure is "out there" if you will, out in the midst of the fast changes, the ambiguities and complexities, the opportunites and perils of institutional life in a nation and a society. And that means that its particular stewardship of the Gospel is to be an evangelizing community or structure, saying clearly through its life-style, decisions and values what is humane, what is just, who is a neighbor, where is hope, who is Lord and Judge, who gives life and wholeness.

Perhaps I am talking about a special kind of preaching. As a pastor or a lay person I would expect and long for some special shape to the Conference's communication of the Word. Perhaps it is borne by a Conference Minister who has been walking to and fro in the land, going up and down in this diverse society and this diverse community of Christians, breaking bread and conferring with people and leaders in many institutions and realms, moving about among vast communitties of the alienated and the angry, confronted by and confronting some of the structures of violence, knowing more than the mere hints of the material and lethal movements of the principalities and the powers, having met (as many of us have) what the New Testament calls the Prince of the power of the air. I say, as a pastor or lay minister, I would want to know from the Conference, "How did you say there and there and there that Jesus Christ is Lord, that the Kingdom has come, that God has made Him Lord and Christ that Jesus who was crucified, that neither death nor life nor angles nor principalities nor powers nor anything can separate us from the love of God in Christ? How did you say that if the seed dies it will bear much fruit, that if you save your life you will lose it, that only hope that we do not see is hope, that the strife is over and the victory won, that the former things have passed away?"

I tremble at all of that - not only to recite the Gospel (always a shaking and awesome thing to do!), but to remember where we are called to proclaim it and recite it - this harsh world of moral complexities where people struggle to solve problems and fail, this world of strange twists and fast changes, this chilled world of the arrogant, the terrible world of the angry, the growing worlds of provincialism and isolationism, a world with the cancer of racism deep, deep in the soul of people and institutions, the dangerous world of power, the world of myths and symbols and hang-ups and inherited prejudices, and so much more.

Now when I have talked this way at other times and places some of you whose theologies, life styles and thought styles are bent differently from mine begin to worry. This is evangelism? This talk of meeting Jesus Christ in the centers of pain and power and prejudice? This talk of the Gospel shaped as action in areas of public policy, legislation, advocacy for the poor and disenfranchised, hard-nosed communication with powerful and competing viewpoints in the marketplace of ideas? Some are violated whenever talk of Christian brothers and sisters moves in this direction, whenever the witness to Jesus Christ as Lord is declared in the complex and ambiguous arenas of political decision or economic life or social reform.

Those who resist say that evangelism is winning souls for Jesus Christ, that evangelism is one person inviting another person to give his or her life to Christ. I believe that; I believe that deeply. I have done and I do that kind of evangelical work. But I do not hang all the rest of evangelical work in the human family on a hook - all of the delivery of the good news to the worlds of human hurts, all of the work of compassion, all the work of ethical struggling with new problems and new questions from living now, all the work of stretching our intellectual horizons and emotional capacities and spiritual vision to become full members of this global village of many cultures and many faiths.

I grieve over the sin of pride that flourishes in the churches as the parties form. "I am an evangelical!" says one person. "I am not as simpleminded as the evangelicals!" says another. My soul what a witness in this kind of world! And there's a lot of that. There are competing elitisms. There is spiritual pride. There are a lot of people feeling superior to each other. And feelings are now deep

in a year in which conservative tides are running strongly in the nation, social utopianism is being exposed, and civil strife is broken out between diverse groups in this nation.

My point is not that there are no serious differences. My point is that we do not face each other with these differences, that we use these differences for the destructive power game of caricaturing. We do not tell each other our stories, hear each other out, feel the common ground under our wayward feet, tolerate each other's idiosyncracies and manners. I should think that would be a great immediate goal for the United Church of Christ generally and the Massachusetts Conference in particular.

The purpose of the Massachusetts Conference is to be an evangelical force. It is right there in line one of our charter of 1799: "The purpose of the Massachusetts Conference of the United Church of Christ is diffusing the knowledge of Jesus Christ..." I don't think we have even begun to plumb what that means, to feel the pressure of that mandate. We are all servants of that task. We need to think about it. We need to talk about it. We need to pray about it. We need to do it.

We have examined the balance sheet of Massachusetts Conference of the United Church of Christ (a not for profit organization) as of December 31, 1975 and 1974, and the related statements of General Fund support, revenue, and expenses and changes in fund balances for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of Massachusetts Conference of the United Church of Christ at December 31, 1975 and 1974, and the results of its operations and changes in fund balances for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

December 31, 1975 and 1974

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue

Fellowship dues are recorded when received by Association treasurers and O.C.W.M. revenue is recorded when received by the Conference.

Pooled Investments

To obtain investment flexibility, various funds have commingled certain of their investments.

Fixed Assets

The Conference follows the practice of capitalizing all expenditures for land, buildings and equipment in excess of $100. Fixed assets purchased with unrestricted funds are transferred to the Land, Building and Equipment Fund (note J).

Depreciation

Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets (note J).

Pension Plans

The Conference participates in two pension plans covering substantially all of its employees. Professional staff are covered by the Pension Boards of the United Church of Christ. The Conference contributes an amount equal to 11% of each participant's salary. Lay employees participate in the Retirement Fund for Lay Workers, also managed by the United Church of Christ. Employees may elect to contribute 3% of their gross annual salary during their first five years of employment. The Conference contributes 8% of the gross pay during that period. After five years of participation, the Conference contributes the entire 11%. Contributions to both plans are fully vested. Pension expense aggregated $33,198 and $33,167 in 1975 and 1974, respectively.

NOTE C - COMMITMENTS

The Conference conducts part of its operations, Craigville Conference Center, in facilities owned by the Christian Camp Meeting Association (CCMA). Annual rentals paid by the Conference aggregated $29,282 in 1975 and $25,306 in 1974; amounts which, in certain cases, equaled the principal plus interest payments of CCMA on its mortgages which are held by the Conference. The leases expire at various times through November 1, 1980. Renewal options are available.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 1975 and 1974

NOTE D - PROPOSED CONFERENCE FACILITY COST

Pursuant to the Conference Meeting decision not to proceed with proposed expansion plans of the Framingham Conference Center, certain architectural, engineering and consulting fees previously deferred were charged against 1975 operations. $10,000 of the previously deferred costs were estimated to be useful in current renovations and were transferred to construction in progress (note J).

NOTE E - BENEFICIAL INTERESTS

The Conference is beneficiary under the terms of numerous trust agreements, wills and other contracts. The exact value of such interests and the time at which the rights to these interests become vested in the Conference is dependent upon circumstances over which the Conference exercises no control.

NOTE F - MORTGAGE PAYABLE

Interest on the mortgage note is at 10% with repayment of principal due in 1978. An interfund advance of $225,000 has been recorded to reflect the responsibility of the Current Unrestricted Fund to repay the mortgage.

NOTE G - INTERFUND SECURITY LOAN

During 1974 and 1975, securities were loaned by the Endowment Funds to the Current Unrestricted Fund to provide financing for expansion of the Framingham Conference Center. The gain on sale of these securities was deferred until such time as like securities could be purchased and returned to the Endowment Funds. During 1975, such securities were purchased and returned for $38,809 less than they originally cost.

NOTE H - BOARD DESIGNATED FUNDS

The Dorchester Church Fund has been designated for special projects in the Dorchester community.

The General Investment Fund is awaiting Conference Meeting action.

The Building Fund has been designated by the Board of Directors for providing assistance to local church building projects.

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE I - CONFERENCE MEETING DESIGNATED FUNDS

The 17/76 Achievement Fund has been designated by the Conference Meeting for providing scholarships to minorities.

NOTE J - FUND TRANSFERS

The cost of fixed assets purchased with unrestricted funds, net of current year depreciation, is transferred to the Land, Building and Equipment Fund.

	1975	1974
Fixed assets purchased	$106,198	$ 4,242
Development costs transferred (note C)	10,000	(20,276)
Depreciation charged	(15,539)	(14,182)
	100,659	(30,216)
Additional transfers from the Current Undesignated Fund were made to reclassify amounts designated for special projects to the appropriate funds as follows:		
Board designated funds	51,855	23,674
Conference Meeting designated fund	9,779	427
	$162,293	$(6,115)

NOTE K - ADJUSTMENT OF PREVIOUSLY REPORTED BALANCES

Pursuant to a complete review of the Endowment and Current Restricted funds, certain retroactive reclassifications and adjustments were made to properly classify funds as of January 1, 1974. These adjustments are summarized as follows:

Designated By Board of Directors

The Building Fund ($61,189) previously classified as a Current Restricted Fund, and the General Investment Fund ($342,533), previously classified as an income unrestricted-endowment fund were actually free and unrestricted gifts to the Conference. Since they are used for purposes designated by the Board of Directors, they have been transferred to Board Designated Funds. 1974 revenues would have been increased by $5,225 and 1975 operations were increased by $1,181 as a result of these changes.

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 1975 and 1974

NOTE K - ADJUSTMENT OF PREVIOUSLY REPORTED BALANCES - CONTINUED

Conference Meeting Designated

The 17/76 Achievement Fund, started in 1974 and previously classified as a Current Restricted Fund, has been reclassified in accordance with a vote of the Conference Meeting. 1974 revenues would have been increased by $427 and 1975 revenues were increased by $9,779.

General Undesignated

Securities sold in prior years were over-costed by $11,420. In correcting for this, the pooled investments were increased by $11,420, with corresponding increases in the General Undesignated Fund of $11,090, Endowment Fund-income unrestricted of $282 and Endowment Fund-income restricted of $48.

NOTE A - SECURITY VALUATION

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the fiscal year; securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the last reported bid price, or the mean between the last reported bid and asked prices where these amounts have a wide disparity.

CITY MISSIONARY SOCIETY, BOSTON, INC., 1820

Chairman of Board of Directors - Mr. James C. Boyd, II
Clerk of the Corporation - Rev. Dennis Bailey
Clerk of the Board - Rev. David B. Kreider
President - Rev. Clyde H. Miller, Jr.
Treasurer - Mr. Russell H. Palmer
Staff: Full time - 14. Part time (including Homemakers and summer program) - 120

The City Missionary Society has been the social service arm of Congregational churches in Metropolitan Boston since 1816. It now has an important place in the life of the Metropolitan Boston Association, whose constitution refers to the Society as "a recognized instrumentality of the Metropolitan Boston Association.

In late 1973, to replace the emphasis on housing and education, a new program of Metropolitan Ministry was started and continues to be developed.

With several other agencies the Society was successful over the last three years in securing funding for a special recruitment and training program for minority persons to work in the counselling, program and administrative staff of summer camps. The interracial and intercultural composition of the participants in CMS camps is complemented now by a staff enriched by the same diversity.

Now as the Society moves well into 1976, most of what was begun over the previous five years not only survives, but thrives. The Mission: Advance! funds, which were known at the outset to be available for only three years, have ceased to flow. Much of what that support helped to initiate, however, continues. The community development thrust in Mattapan was continued by CMS for a year beyond the end of that program's support from Mission: Advance! and then discontinued in the belief that the work there had made a significant constructive impact on the life of that community. In Somerville, community development efforts have expanded beyond the original small resource office, and CMS has joined with a group of local organizations, service programs and a local church there to establish the Somerville Multiservice Center. Its future is promising.

With a continued emphasis on advocacy work, the Social Services Department is better serving its clients and having greater impact on their behalf among the systems and institutions that affect the lives of poor and troubled persons. These capabilities were instrumental in obtaining for CMS, two contracts with the Department of Elderly Affairs of the Commonwealth of Massachusetts for providing Home Care Services for the Elderly -- persons who otherwise might either be without care or would have to be institutionalized.

The Society's summer camping programs provide meaningful activity for children of all ages and for adult members of low-income families. Camps Andover-Waldron on Lake Winnisquam, in Meredith, N. H. are open to children 9 - 16 years of age. They provide opportunities for interracial and intercultural contacts in a Christian setting. Family Camps and weekend retreats for church groups are held under sponsorship of CMS at Farrington Memorial property in Lincoln, Mass.

City Missionary Society receives no income from United Way. Principal support comes from United Church of Christ churches in the Metropolitan Boston Association, from churches in neighboring associations, from non-UCC churches in the greater Boston area, from interested individuals and trust funds, and from endownment.

The Society's income in the fiscal year ending October 31, 1975, was $339,315 (this amount included legacies of $12,424). Churches contributed $50,191 and the operating deficit in 1974 was $106,767.

City Missionary Society was incorporated in 1820. Its corporate members are elected at the annual meeting, held in November each year. Every supporting congregation is entitled to nominate a representative to serve a three year term on the corporation.

THE CONGREGATIONAL LIBRARY
OF THE AMERICAN CONGREGATIONAL ASSOCIATION
(Proprietor of the Congregational House)
Room 207, 14 Beacon Street, Boston

The Congregational Library was founded in 1853 to gather and preserve books, pamphlets and manuscripts on Congregational history and to promote the general interests of Congregational churches. In addition to the historic collection on Congregationalism the library has important collections of Bibles, in a variety of languages and versions, hymnals, and histories of local churches and towns. New books, with the exception of fiction, are purchased every week in the fields of: preaching and pastoral work, philosophy and theology, Biblical commentary, church history, religious education, worship and devotion, missions and the ecumenical movement, church arts and architecture, denominations, sects, and world religions, social problems, and biography.

These resources, approximately 200,000 books and pamphlets, are available to ministers, lay preachers, church officers, church school teachers, students, and all interested in reading for enrichment of life. Books are mailed without charge to all parts of the United States. A letter or postcard giving author, title or the subject of books desired, will receive prompt attention. The Library is open for study and research Monday through Friday, 9-5. A copy of a leaflet, "The Congregational Library" and the *Bulletin* will be sent to those writing for further information.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of Churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational and United Church of Christ churches in Massachusetts, the towns and cities being arranged alphabetically. This is not a postal guide. It is a listing of the location of the church for the convenience of persons seeking to find the church. The first name in the list of churches is the name of the town or city in which the church is located; then follows the name of the church and directions for locating the church.

Church members are reported as numbered January 1, 1976. Admissions and removals cover the year 1975. "Sunday School" includes total membership of officers, teachers, and scholars January 1, 1976; or when the school is in operation (if not at that date), covering "branch schools," "mission schools," and "home departments," so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational and United Church of Christ ministers may be found in the lists of the local associations which follow the tables.

Reference marks used throughout Schedules:

A — Figures are for U.C.C. members only
B — Church is part of a Larger Parish. Name of Larger Parish will be found under the name of the Larger Parish in Conference Summary
C — Charges. The number of each church included in a Charge will be found under the name of the Charge in Conference Summary
D — Dual standing, or affiliation, with another denomination
X — Not enrolled as United Church of Christ minister according to Conference Reports, but has Congregational Christian standing only
Y — Pastor serves more than one church. (See list of yoked churches in Conference Summary)
CM — Campus Ministry
LO — Limited Ordination
NK — Pastor's denomination is not known
PT — Part time
☐ — Church made no report and statistics are from previous Year Book, except actual figures reported from Conference Records for Our Mission for Others
* — Schedule I. Congregational Christian Churches which have not voted or which have voted to abstain from voting at the time of submitting the Conference Report
# — Schedule II. Congregational Christian Churches which have voted not to be part of the U.C.C. at the time of submitting the Conference Report

Amount of "Local Expenses" includes all salaries, operating expenses and repairs for church, Sunday school, choir and parish.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational or United Church of Christ churches within the federated churches. Figures pertaining to Church School enrollment, contributions to home expenses are usually for all the churches grouped together in the federated church.

Note:

Pastoral changes between the time year book data was sent to the national office and the time of going to press for our Conference Year Book are not reflected in the following schedules, but are reflected in the association lists and the alphabetical lists.

MASSACHUSETTS CONGREGATIONAL FUND

First Trust — a balanced fund
Second Trust — an income fund
Third Trust — an equity fund

The Massachusetts Congregational Fund was established in 1945 as a means of bringing professional investment management to bear on the handling of the capital funds of the Massachusetts Conference and churches and organizations affiliated with it. In nearly three decades the Fund has provided continuity and the steady application of sound investment principles to the assets put in its care.

The three trusts named in the heading operate as mutual funds with no loading and a minimum of expense. The First National Bank of Boston provides the custody of the assets, the collection and distribution of income and investment service. Each trust has a different objective as indicated by their names so that separately or in combination almost any objective may be achieved. The net assets of the three trusts now total over $11 million market value.

The officers and members of the Fund's Board composed of business and financial executives well known in Massachusetts, ask consideration of the churches for the investment of additional funds in one or more of the trusts. They are open for new subscriptions (and redemptions) four times each year, on January 1, April 1, July 1, and October 1 upon prior application.

The performance of the Fund, whether judged by the past year's results, or over a long period of time, is such as to indicate sound and capable operation and to justify churches using the Fund's trusts with confidence as effective vehicles for investing their capital assets. For additional data on net assets and earnings of each trust, see pages 75 through 85 of this Year Book.

MASSACHUSETTS CONFERENCE PLANNED GIVING PROGRAM

The Conference's Planned Giving Program is a new opportunity, developed in cooperation with the United Church Board for Homeland Ministries, the United Church Board for World Ministries and the United Church Board for Ministerial Assistance, for members of the Conference's churches to make a major gift to the work of the Church in exchange for a guaranteed annual life income.

By the irrevocable transfer now of a capital asset, the donor and/or another will receive an annual income for life, or a term of years not exceeding twenty, based on official U.S. government treasury tables; the donor will receive certain tax advantages; and the donor may determine at the time of the gift the way in which that asset will be used at the end of the income period. The donor's local church, the Massachusetts Conference, and the three Boards, or anyone of the preceding five, or a combination thereof, may be the ultimate beneficiary of such a gift, depending on the wishes of the donor.

Life-income plans include: Gift Annuities, Deferred Payment Gift Annuities, Pooled Income Fund, Unitrusts and Annuity Trusts.
